* **PREREQUISITES:** Consult with your advisor and/or the University catalog regarding prerequisites for upper division CHE and FMT courses. AGR 130 and 131; CCT 101; EHS 280; MAT 122 (see § below); MGT 300 or 301; MKT 300 or 301; PHY 131 and/or 201; sophomore standing; junior standing.

§ A preparatory course in mathematics (MAT 122) may be required before admission to MAT 234.

Upper division courses: All students are required to have a minimum of 42 hrs. upper division (300 level or above) courses distributed throughout Major/Supporting/Gen Ed/Free Electives categories. If 300 level classes are taken for Gen. Ed., they can be used to fulfill the 42 hours instead of upper division free electives.

Refer to the University Catalog at <http://www.catalogs.eku.edu/> regarding University and General Education Requirements. All baccalaureate degree seeking students who enter the University are required to successfully complete one writing intensive course following completion of the ENG 102, ENG 105, or HON 102/103. Writing intensive courses are designated with the suffix "W" following the course prefix and number (e.g. HUM 300W).

Applied Critical & Creative Thinking (ACCT) Requirement: Chemistry majors Select one of the following (based on specific concentration): combination of CHE 349, 349 A-N, 411, 495A, 495B, FRT 349, 349 A-N, 495 and/or FRT 549 for 3 credit hours, HON 420, CHE 515, or CED 499.
